NATIONAL CONTRACT CLEANERS' ASSOCIATION

WHAT ARE THE BENEFITS OF JOINING THE NCCA?

The NCCA was established in 1987 with the goal of creating professionalism in the cleaning industry.

NCCA Membership Certificate

A NCCA membership certificate is a guarantee that the holder complies with all the statutory legislation applicable to the contract cleaning industry in South Africa.

During an [annual compliance audit](#), the experienced, independent compliance auditors verify compliance. This benefits customers by reducing the exposure to financial and reputational risks associated with using the services of a non-compliant service provider.

Membership of the ISSA – International Sanitary Supply Association (est. 1923)

To join the ISSA as an individual company costs around R15 000 p.a. NCCA members automatically enjoy all the benefits of ISSA membership:

- use of the ISSA Membership Logo on your website and marketing material
- link issa.com on your websites
- receive notifications from the NCCA updating them on topical news releases by the ISSA
- access [Cleaning Industry Management Standard \(CIMS\)](#) and [Global Biorisk Advisory Council \(GBAC\) star](#) certified courses
- NCCA membership discounts on all ISSA training resources

Advice on Labour Relations Contractual Matters

Although the NCCA cannot become directly involved in any labour disputes, members have access to advice on labour matters.

NCCA Recognition and Advocacy

The NCCA is officially recognised as an Employers Association by the Department of Employment and Labour.

NCCA representatives serve on the following bodies:

- The Cleaning Chamber of the [Services SETA](#)
- The board of the Professional Body for Environmental Hygiene (PBEH)

and regularly communicate its members interests on skills development bodies such as the [Quality Council for Trades and Occupations \(QCTO\)](#) and the [South African Qualifications Authority \(SAQA\)](#).

Marketing and PR

The association maintains an interactive website at <http://www.ncca.co.za/> – members have exclusive access to the members' section.

As a member you can display the NCCA logo on your website. Membership listings are accessible on the website.

Members receive a free online copy of the only local cleaning industry trade journal – [African Cleaning Review](#).

You can also register for an electronic copy of the authoritative [European Cleaning Journal](#).

NCCA branches hold members' meetings four times per year, with some branches holding Golf days.
